PAPER

Please find below and/or attached an Office communication concerning this application or proceeding.

The time period for reply, if any, is set in the attached communication.

DETAILED ACTION

Response to Amendment

1. The amendment filed on 11/14/2007 canceling all claims drawn to the elected invention and presenting only claims drawn to a non-elected invention is non-responsive (MPEP § 821.03). The remaining claims are not readable on the elected invention because the new claims 15-22 are geared towards connecting a first user terminal to a second user terminal, while the original, now cancelled, claims are geared toward converting a first type of data to a second type of data. Claims 15-22 also invoked "forming, in a server, a web page containing a media player associated with the second data type, the activation code and an address of the platform" and "signifying that the user has invoked the media player" while claims 1-14 do not.
2. Since the above-mentioned amendment appears to be a *bona fide* attempt to reply, applicant is given a TIME PERIOD of ONE (1) MONTH or THIRTY (30) DAYS, whichever is longer, from the mailing date of this notice within which to supply the omission or correction in order to avoid abandonment. EXTENSIONS OF THIS TIME PERIOD UNDER 37 CFR 1.136(a) ARE AVAILABLE.
